

# Don't let pests and diseases become the hump in your business

Implement a robust biosecurity plan today

LOOK

CHECK

ASK A VET

Call the emergency animal disease watch hotline if you suspect anything unusual in your camels.

Whether you farm camels or cattle, red claw or rabbit; biosecurity makes good business sense for all producers. For information about developing a biosecurity plan for your property visit [farmbiosecurity.com.au/new-emerging](http://farmbiosecurity.com.au/new-emerging)
