

Don't get fleeced by a disease or pest incursion

Milk good biosecurity for what it's worth

LOOK

CHECK

ASK A VET

**Call the emergency animal disease
watch hotline if you suspect anything
unusual in your sheep.**

Whether you farm dairy sheep or cattle, red claw or rabbit;
biosecurity makes good business sense for all producers.
For information about developing a biosecurity plan for your
property visit farmbiosecurity.com.au/new-emerging
